They're meticulous, judicious, sincere, committed, non-discriminatory, therefore; make honest judges, who do not sell their morals; but deliver fair-handedly to everyone regardless. These folks are weary due to continuous anxiety, however; are able to tackle urgencies creatively.

Obedient & also officiating, they are ready to lose a little leverage for long term benefit. There's a tendency to be dissatisfied while working towards interests or goals, which explains their near perfect unwavering persistence. Their identity revolves around the ability to maneuver available resources to their advantage. The goat being representative of Capricorn, is similar in approach, as it bends knees to move carefully around the treacherous landscape, making use of every pebble, rock & foliage possible.

This explains how Sun in Capricorn individuals reach the top by assessing every opportunity, significant or miniscule & turning it into a stepping stone towards success. Slowly they rise to popularity and power; by doing favors for reigning authority figures, gaining public goodwill, subtle manipulation & via other underhanded ways. They're composed, resilient, structured, enterprising, managerial, given to traditional approaches, & capable of overcoming hindrances & obstructions to glory.

Being goal orientated, Capricorns have an ability to merge the focus of individuals with distinct outlooks, towards a specific target thereby; generating workability which was previously non-existent; however, this brings them considerable amount of stress. Disciplined, pragmatic, immaculate, & diligent; they move forward with a staunch belief in their capacities.

Not inclined towards shortcuts nor allowing complacency, they can be unyielding, condemnatory, and exacting. With such devotion towards work & solitary nature; their relationships do take a hit, but they can be a reliable friend to a select few. These folks like to build lasting material wealth; which takes a toll on their mental state, which they compensate with a signature deadpan humor.

Twelfth House

Enemies and Sorrows

Start Cusp	End Cusp
♊ 19° Gemini 15'	♋ 18° Cancer 4'

The twelfth house signifies hidden support and limitations, encompassing sorrows, confinement, and secret adversaries. It often reveals challenges caused by others or affects you indirectly through your associations with those suffering. Materially, this house can indicate disappointment, loss, and restrictions, but spiritually, it represents self-sacrifice and detachment from worldly concerns for a higher purpose. It deals with private enemies, imprisonment, anxiety, and various forms of suffering. Additionally, it covers the care of large animals such as horses, oxen, and elephants, reflecting hidden or less visible aspects of your life, including secret conflicts and internal struggles.

The Twelfth House, with its starting cusp at 19° Gemini 15' and ending cusp at 18° Cancer 4', is occupied by no planets. As a result, no aspects are being formed in this house.
